RESTAURANTS AND BARS
Offering Sophisticated, International Cuisine in a Unique Setting

The Yas Hotel offers seven specialty restaurants which between them draw inspiration from around the world in recognition of the hotels' international clientele.

The Executive Head Chef's vision for The Yas Hotel is to "Drive the culinary team using farm fresh ingredients and proper cooking techniques, with simple presentation focusing on taste." The Executive Head Chef has employed the expertise of chefs hailing from all corners of the world, executing their culinary talents across the seven restaurants in The Yas Hotel, which include Origins (International dining), Atayeb (Pan Arabic), Angar (Indian Tandoori), Amici (Italian), Noodle Box (South East Asian), and Kazu (Japanese).

The hotel also features two concept bars: Skylite, where drinks and snacks are served on the hotel's rooftop under the ambience of the gridshell, overlooking panoramic views of Yas Island; and Rush club bar, which offers guests an unrivalled vantage point overlooking the Grand Prix Circuit. In addition, Longitude and Latitude poolside dining, as well as the Executive Lounge, offer additional options for guests seeking refreshments.

All entertainment and dining concepts have been created under the guidance of Raman Khanna, previously Director of Catering and Banqueting at Emirates Palace Hotel before joining Aldar Hotels and Hotels as Director of Business Development and Commercial in 2005.

BARS

A first for Abu Dhabi, The Yas Hotel hosts two Georges V concept bars, the visionaries behind the internationally recognised Buddha Bar brand. The bars boast prime locations – Skylite, on the rooftop of the main tower, and the other – Rush, in the adrenaline-evoking bridge above the Grand Prix circuit.

Skylite
Lofty heights and million-dollar views give the Skylite a unique positioning in The Yas Hotel. Located on the roof of the hotel, Skylite offers a relaxed cabana and chill-lounge atmosphere, serving drinks and light snacks from 6pm every evening.

Rush
Very much a destination bar club the exclusive Rush offers unrivalled views of the F1 track below, within a comfortable lounge-style setting. Located in the bridge which stretches over the racetrack, linking the hotel's two towers, Rush is designed to be a spacious light-filled café by day, and a bar by night. Guests at the island's 'hottest' bar club can choose from a wide menu of cocktails and premium spirits, as well as bar snacks.

Longitude and Latitude
With one located in each tower, the pool bars offer guests lounging by the pool a selection of refreshing cocktails, mocktails, iced teas, served with a light menu.

Executive Lounge
Located in the main building, the Executive Lounge features a secluded space for VIP guests to meet, relax or work. Serving refreshments including canapés and cocktails throughout the day, the lounge also offers executives access to meeting room spaces, WiFi and a changing / shower room.
